As Chairman of the Board I am pleased to announce our **17th Annual Excellence in Nursing Awards Luncheon**. The 2021 Awards Luncheon will celebrate and recognize outstanding nurses in education and clinical practice in Texas. On behalf of Good Samaritan Foundation, I would be honored for you to join us in celebrating these remarkable men and women at this prestigious event.

The luncheon will be held at **12pm on Tuesday, October 12th, 2021 at The Royal Sonesta Hotel Houston**. Please find enclosed the sponsorship levels and the benefits that accompany each level. To be listed in the awards luncheon program please respond by Friday, September 17th, 2021.

Good Samaritan's Excellence in Nursing Award Luncheon is one of the largest programs dedicated to recognizing the women and men who are actively working in the nursing profession. The Excellence in Nursing Awards honor registered nurses and educators who are nominated by their peers and selected by a distinguished Awards Selection Committee. These nurses demonstrate a passion for the nursing profession and exemplify excellence in teaching, mentoring, leadership and service.

Good Samaritan Foundation is pleased to introduce our Diamond Sponsor, Healing Hands (<https://healinghandsscrubs.com/>), a mission-based medical uniform enterprise, operated by its founder, Banshi Lakhani, and his son, Sid Lakhani.

After suffering a massive heart attack in 1997, Banshi calls his nurses his healing angels and promised himself that he would repay these angels in a special way. Mr. Banshi Lakhani will chair this year's event and will also be the keynote speaker at the Excellence in Nursing Awards Luncheon.

Please join us in supporting the largest segment of health care providers, nurses.

Warm Regards,

**Jason L. Fertitta**
